

Renter's Insurance. *Protect yourself.*

The Breeden Company has entered into an exciting new program with Core Logic to make available to our residents valuable low cost renter's insurance at participating communities.

Why do you need renter's insurance?

- To protect yourself from liability
- To safeguard your property and valuables
- To protect and recover your possessions in the event of a loss
- To financially protect yourself
- To quickly and easily receive payment for claims
- To provide you with temporary living coverage if your residence is damaged
- Simply put, you need renter's insurance for your peace of mind!

We want you to be an informed resident. Renter's insurance is a program that protects your personal belongings from damage and you from liability for your actions.
