

# Retail: Red Mill Landing Building 1

**Location:** Virginia Beach, VA

**Use:** Retail – vanilla shell

**Size:** 26,026 sf, 17 total bays, 1 retail building

## PROJECT FEATURES

- Scope of work included full site development of 2.67 acres, including site furnishings and vertical construction of all structures
- The structures were comprised of conventional slab on grade, structural steel & bar joists, light gauge metal framing & tower roof trusses, brick veneer, EIFS, standing seam tower roofs, simulated slate shingle mansards, and TPO flat roofing
- Interiors finished to a warm/lit vanilla shell
